

7.-5.1.1/1310-7  
27.10.2014

Lugupeetud Reet Kangro

Lõpparuande hindaja arvates: Strengths:1. The project has been well planned already at the application stage, the objectives were clear and realistic, the work plan was in line with the set targets  
2. The project was well managed, all the partners were equally responsible for the tasks, the systematic evaluation of the progress has been a guarantee to successful implementation  
3. Reasonable and sustainable organisation of dissemination activities, involvement of parents as well as local and county authorities in the project activities; media coverage  
4. The project is sustainable and will have impact on future activities to develop social protection systems and networks on local level

Täname meeldiva koostöö eest.
