1. Apologies

Marta Czech (Taking M.A exam)

2. Minutes of the last meeting

The minutes were discussed and agreed.

3. Matters arising from minutes

- PF and JV informed the group of a Comenius/Etwinning conference they attended in Prague. Problems with Etwinning appear to be rectified and PF will email co- coordinators with a 'fools guide' on how to download onto the system.
- AB asked if partners could let him know the partners who will be attending the Planning Meeting in Riga (numbers and dates)
- A visit to Auschwitz has been arranged.

4. Calendar 2010/1011

The calendar was discussed and clarified. Concerns were given about the short time limit between some projects. It was agreed partners could do as much or as little as their school could deliver. The important factor is that we have a product at the end of each project.

5. Mobilities

Mobility dates for year 2 are:

Latvia 9th – 12th December 2010

Estonia 2nd – 6th February 2011

Hungary 9th – 11th June 2011

6. End product

It was agreed any examples of cookery books would be brought to the Planning meeting in Riga. A format for the end product would be finalised at the meeting. Corina will co-ordinate the booklet and get it printed in Romania. Partners to share cost of printing.

7. Ambassadors of partner countries, community groups i.e. Rotary, Lions

AS suggested we could request recipes from Ambassadors and community groups for the possible inclusion in our end product. She will send a draft letter which partners could use. Five community request letters for each partner.

8. A new project 2011/2013

Partners were asked to consider a new Comenius project for 2011/2013. Although Comenius will most likely continue after 2013, the current status of Comenius will end in 2013.

Following some discussion it was decided a project must allow practical learning and be inclusive. A project involving healthy lifestyles, incorporating, sport, leisure and healthy eating and diet was suggested. Partners wishing to continue with the partnership to let AS know. She will draw up a project profile, following your suggestions to the meeting in Latvia.

9. AOB

- The sunflower competition was won by Latvia. Prize to be presented at the Latvian meeting.
- AH asked for suggestions for the Hungarian Pancake Day. A pancake race was suggested.
- As thanked, on behalf of all partners, our Polish partners, especially Marta, for arranging such a fantastic meeting. Gifts and project work were circulated
